

KEVO CONVERT FACT SHEET

PRODUCT OVERVIEW

Kevo™ Convert is an easy-to-use conversion kit that transforms Kwikset and other manufacturers' deadbolts into smart locks at an affordable price. With the introduction of Kevo Convert, Kwikset®, manufacturer of smart lock products that are Made for the World You Live In, expands its Kevo platform and is the first lock manufacturer to offer Touch-To-Open smart locks and smart lock conversion kits.

HOW IT WORKS

Upon purchasing Kevo Convert, quickly replace the interior of your current lock and within minutes, you transform your existing deadbolt into a smart lock. Kevo Convert gives you the ability to control your existing deadbolt through the proven, simple-to-use Kevo app.

TRUSTED KEVO FEATURES

Kevo Convert users have access to trusted Kevo features through the Kevo app, including:

InHome Locking and Unlocking: Lock and unlock Kevo Convert with your smart device within Bluetooth range of the lock.

“Auto Lock” Security: Set this optional security feature to automatically lock your door after the lock is unlocked and 30 seconds has passed.

Easy Home Management with eKeys: Easily manage home access for family, friends and guests using the electronic keys (eKeys) in the Kevo app developed by UniKey Technologies.

- **Anytime eKey** holders have unlimited locking and unlocking capabilities
- **Unlimited Guest eKeys** allow Kevo users to send free, unrestricted access to a guest for a 24 hour period
- **Scheduled eKeys** allow Kevo users to set repeating date and time constraints for the eKey prior to sharing with the guest, perfect for babysitters or dog walkers

Flexible Platform: Kevo Convert is engineered to integrate with a wide range of smart home products to ensure homeowners can easily configure a custom smarter home.

- **Nest Learning Thermostat:** Trigger home temperature adjustments and energy savings with Nest Learning Thermostat by locking or unlocking Kevo Convert
- **Ring Video Doorbell:** Sync Ring and Kevo Convert to secure and control your entire entryway
- **Honeywell Total Connect Comfort Wi-Fi Thermostats:** Seamlessly connect Kevo Convert to compatible Honeywell thermostats to enable greater energy saving potential with each lock or unlock of Kevo Convert
- **SkyBell Video Doorbell:** Know who is at your front door before allowing them in with SkyBell and Kevo Convert
- **Android Wear:** Lock or unlock Kevo Convert directly from an untethered Android Wear device, like the Moto360 smart watch, for on-the-go convenience

Kevo Plus: Upgrade to Kevo Plus for \$99.99 to establish direct, online connectivity to Kevo Convert, giving you the ability to lock and unlock the smart lock conversion kit from your smart device from anywhere in the world if connected to the Internet.
